

BERKEBILE

SUPER

Windshield Washer Fluid

- ANTI-FREEZE & DE-ICER
- PROTECTS DOWN TO -20°F
- REMOVES OIL, GRIME, DUST, BUGS & ROAD DEBRIS
- BREAKS UP & BEADS RAIN
- LEAVES WINDSHIELD CRYSTAL CLEAR

The Berkebile Oil Company's Super Windshield Washer Fluid Anti-Freeze & De-Icer is formulated using high-quality chemicals and components. Super Windshield Washer Fluid will clean and prevent your windshield washing system from freezing, down to -20°F. During the winter months use Super Windshield Washer Fluid at full strength for cold weather protection down to -20°F. During the summer months dilute 1 part Super Windshield Washer Fluid to two parts water.
